CLASS EXCUSE NOTE POLICY
Student Health Services has developed a policy to delineate how Student Health Services handles Class Notes for Student Absences:
1.) SHS does not provide excuse notes for minor illness or injuries.
2.) Verification of visit notes will only be provided stating the time and date the student was evaluated in SHS. This states that the student came to SHS; it is not an excuse from class. Any SHS staff member who can verify that a student was in SHS can give a student this note.
