Dear TEMPLE OWL

Temple University requires all incoming students to have the following immunizations or sign a waiver declining the immunizations.

MENINGOCOCCAL (Meningitis)

The required vaccine is Menomune, Menactra, Menveo or MenHibrix. The Meningitis B vaccine does not fulfill this requirement, but is recommended. [For more information, click here.](#)

MEASLES, MUMPS, RUBELLA (MMR)

All newly enrolled or re-enrolled students born after 1956 are required to show proof of two vaccinations for Measles, Mumps and Rubella. Positive laboratory titer results are acceptable if proof of vaccination is not provided. [For more information, click here.](#)

TETANUS/ DIPHTHERIA/ PERTUSSIS (TDaP)

All newly enrolled or re-enrolled students should have received TDAP within 10 years OR TDAP older than 10 years and Diphtheria Tetanus (DT) within 10 years. [For more information, click here.](#)

VARICELLA (Chicken Pox)

All newly enrolled or re-enrolled students are required to receive two doses of chicken pox vaccine. Positive laboratory titer results are acceptable if proof of vaccination is not provided. [For more information, click here.](#)

All incoming students **MUST**:

- **Complete** the online Immunization Form
- **Upload** a copy of your Immunization Records

The deadline for submission is on or before MONDAY, SEPTEMBER 30, 20xx.

To complete the Immunization Form, please click on the Complete the Immunization Form Now Link below. Use your accessnet username and password to login to the system. This is the same information you use to login to your Temple E-mail.

On the upper middle section of your screen, is a link for **FORMS**. Click on FORMS or the FORMS icon, then on the **Immunization Form** to open it.

Please enter your immunization information along with the dates received. If you are waiving any of the vaccines for medical, religious or philosophical reasons, that option is available at the bottom of the form.

Hit the “**Submit**” button. A window will pop up to confirm your Immunization Form Submission and ask you to upload a copy of your Immunization Records. Click on **OK**

You will also receive an email confirming your submission. Now click on the **Uploads** icon, then select **Immunization Record** to upload your Immunization Record and follow the onscreen prompts.

****In an outbreak situation, if you do not have a copy of your immunization record, you may be required to have blood work showing proof of immunization.*
